update: I'll remove this post once I run out of shirts. I still have some of each size left. Also, for anyone that comes tonight, it could be an interesting meet+greet with other MC readers...

Dear missed connection seeker,

Tired of checking MC but never having anyone looking for you? Tired of eye-raping everyone you see but never getting a missed connection? Tired of starting great conversations with strangers and then making up an excuse to leave suddenly, hoping they'll come looking for you on MC? I was ...

... so I made a tshirt that says "i check missed connections" in big letters across the chest, with smaller text underneath that says "but it's easier if you say "hi" now." Just like craigslist, the tshirt is simple but effective. In fact, it's so powerful that I'm honestly scared to wear it to the Castro 24 Hour Fitness.

I originally just wanted a shirt for myself ... but custom printing one shirt cost like \$20 bucks. blah! What to do? Economies of scale to the rescue as I can order 30 shirts with a bulk discount! But wait: do I need 30 shirts myself? Do I have 29 friends that will buy them? Will every family member really want a missed connections shirt as their xmas present? Probably not.

So my brilliant roommate said, "Sell the extras on missed connections." And that's why I'm here.

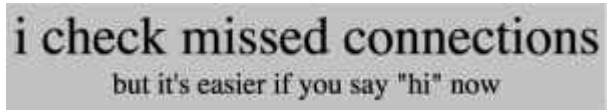

I'm selling the 25 extra (my friends already bought a few) shirts for \$15 each. They are American Apparel shirts in 'craigslist-grey' color (they call it light-silver). They're nice and comfy.

I don't want to deal with shipping, so to buy a shirt you need to come to the 500 Club (17th and Guerrero) tomorrow night (wednesday 12/12) between 9pm and 10pm with \$15 in cash. But don't come expecting a shirt UNLESS you *email me first* to reserve your size (S, M, L, or XL)! I only have 25 shirts and don't want people to show up unannounced and go away disappointed. I will promptly reply back to confirm/deny your order.

Flaggers: If you want to flag this for being inappropriate, just consider it a missed-connection-dated-in-the-future. If you want to flag it for being commercial, realize that I'm just trying to have some fun and recoup my costs.

Copiers: If you want to make your own shirt that looks like this, go for it. I used customink and it worked nicely. I only ask that you try not to flood the market, since it will get confusing if there are lots of MC posts for "that guy/girl wearing the 'i check MC' shirt." I'm only making these 30 and then moving on; given that scarcity, I personally guarantee these shirts will be "very cool" for at least two weeks.

Pictures: Here are some grainy images of the text proof from the printer, me wearing the real shirt, and the box of shirts.
